

THOR MONOFILAMENT LINES

The Mustad Thor Monofilament Lines are made from top grade copolymer nylon and with its unique combination of proprietary materials, they are able to provide maximum strength and also maintain its pliability. The copolymer nylon formula offers added toughness and excellent abrasion resistance.

The Mustad Thor is designed to be a true all around high performance line. It is smooth and exceptional good for casting with less twisting. Superior strength and toughness with easy casting!

WISH MONOFILAMENT LINES

The Mustad Wish Lines are formulated with specific formula giving flexibility, extra sensitivity without losing strength. The handling and durability is amazing and will make your fishing day easier. Mustad Wish Lines gives better casts with ease thanks to the smoothness and less twisting. The formula also has shown proven toughness and great abrasion resistance. All German materials (BASF). Unique Mustad surface treatment.

A true all around high performance next generation monofilament nylon line the might make your wish come true.

THOR BRAIDED LINES

Made from super high strength Spectra fibers. An exclusive 4 strand NR braiding process gives the Mustad Thor Braided Lines a thin, round & smooth profile. This makes it more smooth and quiet in the guides. You will achieve longer casts and more easy handling on the reel. Proprietary DuPont™ coating provides excellent abrasion resistance, while maintaining its superior strength and durability. Get improved sensitivity and more efficient hook-sets, try the Mustad Thor™ Braided Lines.

WISH BRAIDED LINES

Increase casting length, accuracy and reduce line vibration with the 100% Honeywell Spectra™ Fiber Mustad Wish Braided lines! Our unique & exclusive 8 strand braiding process produces a rounder, smoother, thinner braided line that handles amazingly effortless and quite. At the same time, ultra abrasion resistant and super-sensitive. A true all around high performance next generation line that might make your wish come true.
